### Troy physician joins Botsford

Kristen West, D.O., has joined the medical staff at Botsford General Hospital.

Dr. West, a Troy resident, is certified in basic life support, advanced cardiac life support, advanced pediatric life support and advanced life support in obstetrics. She is a member of the American Osteopathic Association, the American Academy of Family Physicians, the Michigan Osteopathic Association and the American College of Osteopathic Family Physicians.

Dr. West received her medical education from Des Moines University Osteopathic Medical Center. She completed both her internship and Family Medicine residency at St. John Oakland Hospital.

Botsford General Hospital is an independent, acute care, 330-bed community hospital in Farmington Hills.

- JPMorgan has hired Tom Moncrief as a private client services trust advisor for high-net-worth clients. Moncrief, of Troy, is an experienced estate planner and seasoned certified public accountant. Based in downtown Detroit, Moncrief has concentrated on tax-planning strategies, family wealth preservation, retirement plans and employee benefits during his 20-year financial services career. He most recently was in a private practice.

Moncrief earned a bachelor's degree in accounting from Birmingham-Southern College in Alabama, and an MBA in tax and finance from the University of Notre Dame.

He is a member of the American Institute of Certified Public Accountants, the Michigan Association of Certified Public Accountants, the National Association of Certified Valuation Analysts and the Society of Certified Retirement Plan Specialists. He is a certified valuation analyst.

- Leonard & Company, a leader in independent and entrepreneurial brokerage services, has added John Janowicz of Troy as a producing representative.

Janowicz brings more than 27 years of experience in the brokerage industry. Prior to joining Leonard & Company, he served two years with Oppenheimer & Co. in Sterling Heights. Earlier, Janowicz served at Raymond James & Assoc., Roney & Co. and First of Michigan. Janowicz holds a bachelor of science in finance from Wayne State University. He will be working in Leonard & Company's new Sterling Heights office located in the Sterling Town Center.

- Ancor Information Management, a diversified services organization offering customer communications and information management solutions in Troy, has announced a new division specializing in meeting the needs of the healthcare industry -- HealthLOGIX®.

The primary focus of HealthLOGIX® is customized printing, membership cards and electronic document services specifically designed to meet the needs of healthcare plans both large and small nationwide.

HealthLOGIX® offers a diverse selection of solution-oriented programs, including the personalization and production of healthcare membership packages, cards and carriers, contracts, explanation of benefits (EOB) and high-volume direct marketing programs, among others.

A new development exclusive to HealthLOGIX® is the proLOGIX system. This cost-effective method allows organizations to efficiently access, customize, track and approve projects start to finish, all online.

It also provides an added measure of security to comply with the Health Insurance Portability and Accountability Act (HIPAA) guidelines regarding the healthcare industry.

HealthLOGIX® also has a streamlined production process in its Plastic Card System (PCS), allowing the company to take on sizable jobs.

Headquartered in Troy, Ancor produces over 12 million customized membership cards annually for automotive clubs and health care organizations nationwide.

For more information on Ancor Information Management or HealthLOGIX®, contact Misty Hamilton at [mhamilton@healthlogixonline.com](mailto:mhamilton@healthlogixonline.com) or Kelly Colohan at [kcolohan@healthlogixonline.com](mailto:kcolohan@healthlogixonline.com).

- USA Credit Union, with offices in Troy, donated \$1,600 to the Lighthouse of Oakland County to help with emergency efforts for those living in Oakland County. Help is available to the community for emergency food, housing, medical and utility assistance.

Employees and their family members showed their support by participating in the 2006 Hunger Walk May 6 at Canterbury Village in Lake Orion.
