

Brian Axness, CPA, CVA, CFE

Mr. Axness is an analyst in the litigation services and business valuation department at Lurie Besikof Lapidus & Company, LLP. He has prepared business valuations reports for companies in a variety of industries including medical device manufacturing, multi-family and commercial real estate, quarry and mining, printing, and metal stamping manufacturing as well as the valuation of intellectual property for estate, gift, and other transactional purposes. He is experienced in litigation support/forensic accounting involving corporate fraud, hidden assets, contract disputes, shareholder oppression, patent infringement, trade secret misappropriation, and estate legal rights, interests, and entitlements. Mr. Axness also performs audit and assurance engagements and financial forecasts/projections.

Mr. Axness is a graduate of the North Dakota State University with a Bachelor of Science Degree in Accountancy. Mr. Axness is a Certified Public Accountant (“CPA”) licensed by the state of Minnesota. He is a Certified Valuation Analyst (“CVA”) licensed by the National Association of Certified Valuation Analysts. He is also a Certified Fraud Examiner (“CFE”) licensed by the Association of Certified Fraud Examiners. Mr. Axness is a member of the American Institute of Certified Public Accountants, Licensing Executives Society, and Minnesota Society of Certified Public Accountants.

Mr. Axness began his career as an auditor at Lurie Besikof Lapidus & Company, LLP where he managed all aspects of audit, review, and compilation engagements. Prior to rejoining Lurie Besikof Lapidus & Company, LLP, Mr. Axness worked as a controller for an IT services provider.
