— TWO SPECIAL OFFERS: YOUR CHOICE —

Offer #1—Save 50% on the Comprehensive Valuation Tools Kit Only \$2795[†], normally \$5760. If you Order by 1/31/12, you will also receive a \$300 Credit Voucher*

Whether you're engaged in litigation support, calculations reports, doing a buy/sell analysis, or IRS compliance, the Comprehensive Valuation Tools Kit has everything you need to standardize and automate your valuation practice with comprehensive support for the entire valuation process. It includes all the standard valuation methods, comprehensive financial analysis, one-click access to 10 indispensable databases, sanity checks, **automatic report generation, and technical support.**

Some of the many benefits include:

- Built on **100% Microsoft® Excel** for your analysis and 100% Microsoft® Word for your written report—so you can enjoy a sophisticated valuation application as well as have complete flexibility and customizability
- One-click access to **10 must-have valuation databases** (see list below)
- Use a comprehensive valuation system that is relied on (**and court tested**) by thousands of your peers
- Automatic standards-based report generation **saves up to 50% of the time** it takes to create a valuation report

The Comprehensive Valuation Tools Kit is **GUARANTEED** to save you an incredible amount of time performing your analysis and drafting your standards-based report. Which means? It will make you more profitable, dramatically increase your realization rate, and allow you to spend more time addressing crucial issues necessary to developing a rock solid report.

We strongly encourage you to at least check out this **Kit** and judge for yourself. With our **UNCONDITIONAL** no-questions-asked, **30-day money back guarantee**, you have absolutely nothing to lose.**

• • • • •

The Comprehensive Valuation Tools Kit incorporates **Business Valuation Manager Pro (BVM Pro)** and the **Business Valuation Report Writer (BVRW)** with **all the must-have databases** for only **\$2795!** This is over **50% savings** off the full retail price of \$5760.

The Tools Kit is your complete solution for automating and standardizing your valuation practice, from compressive valuation analysis, to seamless database integration and automatic standards-based report generation. The 10 industry-standard databases are downloadable into your valuation project (or Excel) with the click of a mouse!
